girls who code

COME LEARN TO CODE AND CHANGE THE WORLD... JOIN A GIRLS WHO CODE CLUB!

WHAT IS A GIRLS WHO CODE CLUB?

Girls Who Code Clubs are spaces where girls can join our sisterhood of supportive peers and use Computer Science to change the world. When you join a Club, you will learn by reading excerpts from our books Learn to Code and Change the World and The Friendship Code, practice new skills by completing fun and simple online coding tutorials, and build community through interactive activities with the rest of your Club.

WHAT WILL I LEARN?

Our 3-5th Grade Clubs help build the foundational skills and understanding of computer science concepts and sisterhood through a reading discussion and coding activities. In order to build the skills you need to make an impact, you will learn how to code from our fun online tutorials and activities that will help you build fun projects to share with friends and family.

CAN I JOIN?

Yes! Whether you're a beginner or a computer master, you're invited to join the movement!

POINT OF CONTACT: Lia and Emma

DATES: Wednesdays, starting October 7th

TIMES: 4:30 - 5:30pm

HOW TO SIGN UP: Register today! https://events.myacpl.org/events/girls-who-code-virtual-club-32
